

Speld Qld – Kindy Inclusion Support Program

Speld QLD

- Speld is a not for profit organisation
- Leader of quality services to improve learning outcomes for all Queenslanders who experience learning differences
- Using research and evidence-based practice for high quality support

Kindy Inclusion Support Program

- Speld is a service provider for the Kindy Inclusion Support Program
- Speld will support kindy services across Queensland to enhance their inclusive practices with regard to children with additional learning needs

Inclusion

- Inclusive practices mean all students can fully engage and participate in the Kindy program
- Adjustments for learners need to be embedded in the Kindy program so all can reach their potential

Learning Disabilities

- Up to 1 in 10 children is likely to have a learning difference/disability
- A formal diagnosis is often only made at school age - though signs may be evident in the kindy year and early intervention is crucial
- Dyslexia, Dysgraphia, Dyscalculia and DLD (Developmental Language Disorder) are learning disorders that can impact learners

Speld Kindy Support

- Team of education advisors and speech pathologists offering specialist support
- No cost support for inclusive practices is offered through workshops, service visits, advisory service, co-planning, resourcing, modelling and professional library
- **Email** kindy@speld.org.au **Phone** 07 3391 7900
